Welcome to this special edition of Portal. This one is dedicated to our recent event WAMP2011. It was our first live event and was great fun. In this edition you'll find tons of photos including one of every entry! The standard of entries was fantastic and to win was a tough challenge, Our 3 esteemed judges: Rob Cardiss, Nigel Carman and Robin Snelson did a brilliant job of picking our winners. A big thank you must also go to all our sponsors and to our hosts Maelstrom Games. Special thanks however go to everyone that turned up and supported the event, it means a lot to me personally.

I hope you enjoy this special publication and if it looks good why not start planning for next year's event, it promises to be even bigger and even better.
